**PRESS RELEASE**

**Statement regarding South BA Reasor's**

“City administrators today learned of the business decision made by Reasor’s Grocery stores to close its location near Elm and New Orleans in south Broken Arrow by the end of April. While we are not necessarily surprised by the company’s decision, we are extremely disappointed to hear the announcement.

“City staff has been in constant communication with Mr. Reasor and his company for the last year regarding this location. In these discussions, the City would have considered possible incentives to keep the store open. However, Mr. Reasor conveyed that the size of the space simply no longer works for their store model, and they made a business decision not to put money into a building (which Reasor’s does not own) that does not meet their needs.

“We will continue to work with Reasor’s to find a suitable location in the southern part of Broken Arrow so that our residents can continue to buy their groceries conveniently.

“Today’s disappointing news does not detract from the City’s ongoing commitment to the revitalization of the Elm and New Orleans corridor. Our consultant-led study into ideas for revitalization continues and a report will be available in the coming months. We are excited about what the future of this intersection may hold.”

**Final open house to review City's comprehensive plan  
& parks master plan drafts**

**Broken Arrow, Okla. (2/20/19)** – The City of Broken Arrow will host the final public meeting to present and discuss the **Comprehensive Plan** and **Parks & Recreation Master Plan Update** draft documents.

Draft plan summaries and implementation recommendations will be presented at a public meeting from 6-8 p.m., Wednesday, March 6, at Central on Main, 220 N. Main St. Attendees will have an opportunity to learn more about the draft plans and provide additional input into their final development. All Broken Arrow residents, businesses, and other interested persons are invited to attend and participate.

**Key Points:**

- Broken Arrow's draft Comprehensive Plan and Parks & Recreation Master Plan are the cumulative products of a 16-month planning process.
- Various demographic and economic trends, future development scenarios, and public and stakeholder input helped formulate a set of policy strategies to best position BA for continued quality growth.
- The Comprehensive Plan, Broken Arrow Next, is an aspirational and strategic policy document to help guide the City's future development pattern and further enhance quality of life over the next 20 years.

*(Continued)*

- The Parks & Recreation Master Plan Update identifies needs and develops strategies to enhance the parks and recreation system.
- The final versions of the plans are expected to be completed and formally adopted by the City Council later this spring.

“It’s extremely important for residents and the business community to provide their feedback in the final stage of this process,” said City Manager Michael Spurgeon. “The last Comprehensive Plan was adopted 22 years ago, and since then, Broken Arrow has grown significantly in population. Today, an update is needed to proactively prepare and respond to new market conditions that will enable us to continue being a sought after destination in Oklahoma.”

About a week before the public meeting both of the draft plans will be available for review on the website, [www.brokenarrownext.com](http://www.brokenarrownext.com), and related comments can be provided via the “Contact” page.

**WHAT:** Final public meeting to review Broken Arrow Next – Comprehensive Plan
