Mayor signs Emergency Declaration for City of Broken Arrow

Broken Arrow, Okla. (5/23/19) – The City of Broken Arrow has issued an Emergency Declaration due to flooding, caused by the recent intense rainfall and historic outflow from Keystone Dam. The proclamation is effective immediately and applies specifically to the area south of Jasper (131st) Street between Garnett Road to 23rd Street (County Line Road).

The proclamation also prohibits non-residents from the area declared as an emergency. This provision was included in the proclamation due to police concerns regarding potential looting in the emergency area.

A voluntary evacuation is advised. Property within the 100 year floodplain is at the greatest risk. Residents in affected areas are advised to gather a multi-day supply of clothing, food, medications, as well as pets (with supplies for them as well) and leave the area. Other tips include:

- Bring pets with you (include supplies for them as well)
- Place valuables up high
- Charge cell phones
- Take video or pictures of your home for insurance purposes.

Once evacuated, residents may not be able to enter evacuated areas.

Continued

Sand bags have also been made available for residents in potential flood zones. Sand and bags are available at the Liberty Trail parking lot on the east side of Elm Place near the Creek Turnpike. Entry to the trailhead is off Miami Street. Residents will need to fill their own sand bags using their own shovels. Tools are NOT provided.

If you are unsure if your home is in a potential flood zone, please call the One Stop Division at 918-259-8333, Option 0. You may also check online at <https://msc.fema.gov/portal/home>.

BAFD releases video showing why drivers should avoid flooded roads

Dramatic video shows the swift water rescue of a stranded motorist

Broken Arrow, Okla. (5/21/2019) – The Broken Arrow Fire Department (BAFD) today released video footage from a swift-water rescue operation, advising the public about the importance avoiding flooded roads.

At approximately 2:19 a.m. today, BAFD was dispatched to 6600 E. Albany St. in northeast Broken Arrow in response to a vehicle that had been swept off the roadway by fast-moving water. When firefighters arrived on scene, they found an adult male clinging to a fence post and unable to escape the raging water.

After quickly evaluating the scene and potential hazards, firefighter Robert Goode, assisted by Acting Captain Branson Phillips, deployed a life safety rope to the stranded victim and entered the water to make their way across the current. Goode was then able to deploy a floatation device to the victim. After the victim put on the floatation device, Goode assisted him back across the current to safety.

The victim was transported to the hospital in stable condition. While receiving medical attention, the victim reported that he had been clinging to the post for nearly five hours before a passerby heard his cry for help and called 911.

“This scene was a particularly dangerous situation and the swift action of all responders ensured the victim was rescued in a short amount of time,” said BAFD Chief Jeremy Moore. “This incident is a sharp reminder of the dangers associated with driving into water on the roadway – it is impossible to determine how deep the water is. Remember: Turn Around; Don’t Drown.”

BAFD units that responded to the incident included Engine 4, Ladder 1, Ladder 6, Squad 4, Battalion Chief and Brush Truck 2.

The Broken Arrow Community Playhouse is excited to present the energetic musical *Godspell - 2012 Revised Version* **June 7, 8, 9, 14, 15, 16 2019. Fridays and Saturdays at 7:30 PM Sundays at 2 PM** here at the Playhouse located at 1800 S. Main Street in Broken Arrow. This production is rated PG.

Godspell - 2012 Revised Version is masterful retelling of the original sensation, injected with contemporary references and dazzling new arrangements. The musical endeavors to provide a contemporary yet timeless take on the teachings of Jesus Christ with each new production of the show incorporating topical references and updates. *Godspell* was the first major musical theatre offering from three-time Grammy and Academy Award winner, Stephen Schwartz (*Wicked, Pippin, Children of Eden*); and it took the world by storm. Led by the international hit, "Day by Day," *Godspell* features a parade of beloved songs, including "Prepare Ye the Way of the Lord," "Learn Your Lessons Well," "All for the Best," "All Good Gifts," "Turn Back, O Man" and "By My Side." *Godspell*, set in modern times, gathers a rag-tag group of people who help Jesus Christ tell different parables by using a wide variety of games, storytelling techniques and a hefty dose of comic timing. An eclectic blend of songs, ranging in style from pop to vaudeville, is employed as the story of Jesus' life dances across the stage. Dissolving hauntingly into the Last Supper and the Crucifixion, Jesus' messages of kindness, tolerance and love

An alien invasion throws humanity into chaos in the classic sci-fi novel *The War of the Worlds* -- but all it took to cause real-life panic in the streets was Orson Welles's 1938 radio adaptation, which listeners took for news. Now, ten years later, the WBFR radio ensemble recreates the colorful events surrounding the infamous evening, including the full original broadcast. Complete with vintage commercials and live sound effects, this radio-play-within-a-radio-play is a thrilling homage to the form's golden age and timely reminder of what fear can do to a society.

Frank Capra's timeless film "It's a Wonderful Life" has been given a fresh and creative new adaptation with *Miracle in Bedford Falls*. The award-winning team of Lowell Alexander and Mark Cabaniss have collaborated to bring this classic holiday screenplay to exciting new theatrical heights. *Miracle in Bedford Falls* tells the story of George

Bailey, a man whose life seems picturesque: he married the love of his life, has four young children and runs his own business. However, on Christmas Eve, George encounters severe business difficulties at the Bailey Building and Loan Association. George's Uncle Billy loses the cash they owe the bank, which is owned by the Scrooge-esque Mr. Potter, leading George to contemplate suicide. Fortunately he is saved at the last moment by the appearance of his guardian angel, Clarence.

And Then They Came for Me: Remembering the World of Anne Frank by James Still
March 20-29, 2020

Auditions January 5, 2020 6:00 PM

And Then They Came for Me is a unique theatrical experience: a multimedia play that combines videotaped interviews with Holocaust survivors Ed Silverberg and Eva Schloss with live actors recreating scenes from their lives during World War II. Ed was Anne Frank's first boyfriend, and she wrote about him in the beginning of her now-famous diary. Eva Schloss was the same age as Anne Frank and lived in the same apartment building in Amsterdam. Her family went into hiding the same day as the Frank family. And like the Frank family, they were betrayed. On Eva's 15th birthday, her family was arrested by the Nazis and sent to concentration camps. Eva and her mother survived, and after the war her mother married Otto Frank (Anne's father). Part oral history, part dramatic action, part direct address, part remembrance, the ensemble-driven *And Then They Came for Me* breaks new ground and has been acclaimed by audiences and critics in world-wide productions. This production is like a historic newsreel brought to life on the stage. And it works. (Charles Epstein, WICR Radio, Indianapolis) *And Then They Came for Me* incorporates the use of live actors, videotape and a CD for each performance.

May 29-June 7, 2020

Auditions March 22, 2020 6:00 PM

This is it! The stage adaptation of Ed Wood's *Plan 9 From Outer Space*, considered by many to be the worst movie ever made! Packing B-Movie thrills into 65 hair raising minutes, the story goes something like this. Visiting space soldiers use a magic-electro-space-ray-gun to resurrect a recently deceased (and perfectly ghoulish) human couple, putting "Plan 9" into action. The aliens must stop mankind from developing "Solaramite," a substance that could set off a chain reaction of cosmic explosions that would destroy the entire universe. With "Plan 9" activated, the space aliens step up the action. Flying saucers invade! Hollywood reacts! The Pentagon responds! Even Colonel Sanders tries to stop the aliens and, well, this was absolutely the worst movie ever made.
