WE LISTENED

TO WHAT YOU WANTED:

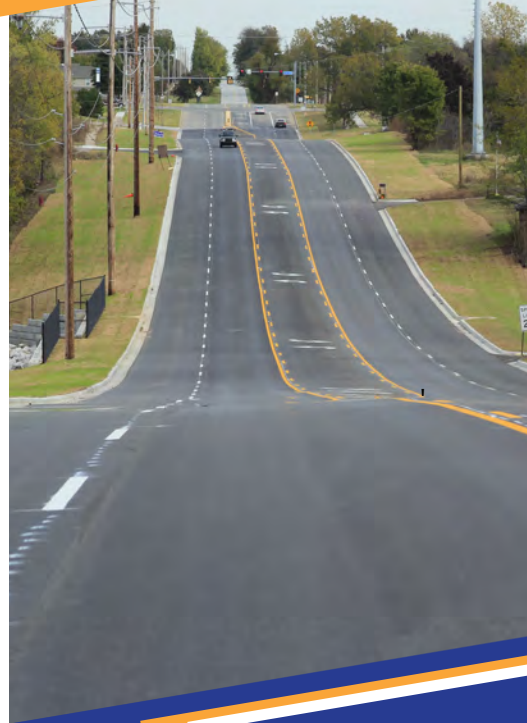

Road Improvements • Police and Fire Service
Parks and Recreation • Flood Control

ALL WITHOUT RAISING TAXES

PROPOSITION 1

TRANSPORTATION

- Widen Houston St. from Garnett Rd. to Aspen Ave.
- Widen 23rd St. (County Line) from Omaha St. to Albany St. (north of BA high school)
- Widen Elm Pl. from Kenosha St. to State Highway 51
- Reconstruct the intersection at Washington and Aspen Ave.
- Add dual left turn lanes to Kenosha St. at the intersection of 9th St.
- Improve the intersection at 9th St. and Hillside Dr.
- Repair neighborhood streets throughout BA

PROPOSITION 2

PUBLIC SAFETY

- Build Fire Station No. 7
- Purchase emergency vehicles
- Renovate existing jail facility
- Update outdoor warning sirens

PROPOSITION 3

PARKS AND RECREATION

- Develop a new park in southwest BA
- Update neighborhood playgrounds
- Construct community trail network
- Install synthetic turf on soccer fields at Indian Springs Sports Complex

PROPOSITION 4 PUBLIC FACILITIES

- Construct an annex for the Senior Citizen Center
- Construct an Armed Forces Meeting Hall for veterans
- Renovate the City's maintenance and public services buildings

PROPOSITIONS 5 & 6 STORMWATER AND DRAINAGE

- Upgrade stormwater conveyance system by Village Square II and Vandever Acres
- Improve channelization and conveyance at Indian Springs
- Improve drainage for the Adams Creek, Broken Arrow Creek, Haikey Creek and Elm or Aspen Creek Basins

KEEPING UP WITH GROWTH

It's no secret that Broken Arrow's population has exploded over the last 25 years. We went from a city of 61,000 in the early 90s to just under 112,000 today... an increase of more than 80%. Few communities can tout that kind of growth!
