Definitions

- Priority 1 =** Crimes in progress involving life threatening circumstances and situations that produce or are likely to produce serious bodily injury or death to any person.

- Priority 2 =** Crimes in progress or that have just occurred, incidents in progress that present the potential for injury or property damage/loss, situations where the suspect is still at the scene or in the area and will elude apprehension or create the potential for injury or property damage if the police do not arrive rapidly, incidents where an officer is needed to secure a scene or witnesses, and incidents where there is a need for crowd control or traffic control which, if not done immediately, would create the imminent potential for injury or property damage/loss.

- Priority 3 =** Crimes against people that are misdemeanors in progress or that have just occurred, reports of recent felony crimes, suspicious circumstances with no threat of injury, and incidents that do not require an officer immediately, but need investigation, mediation, or intervention.

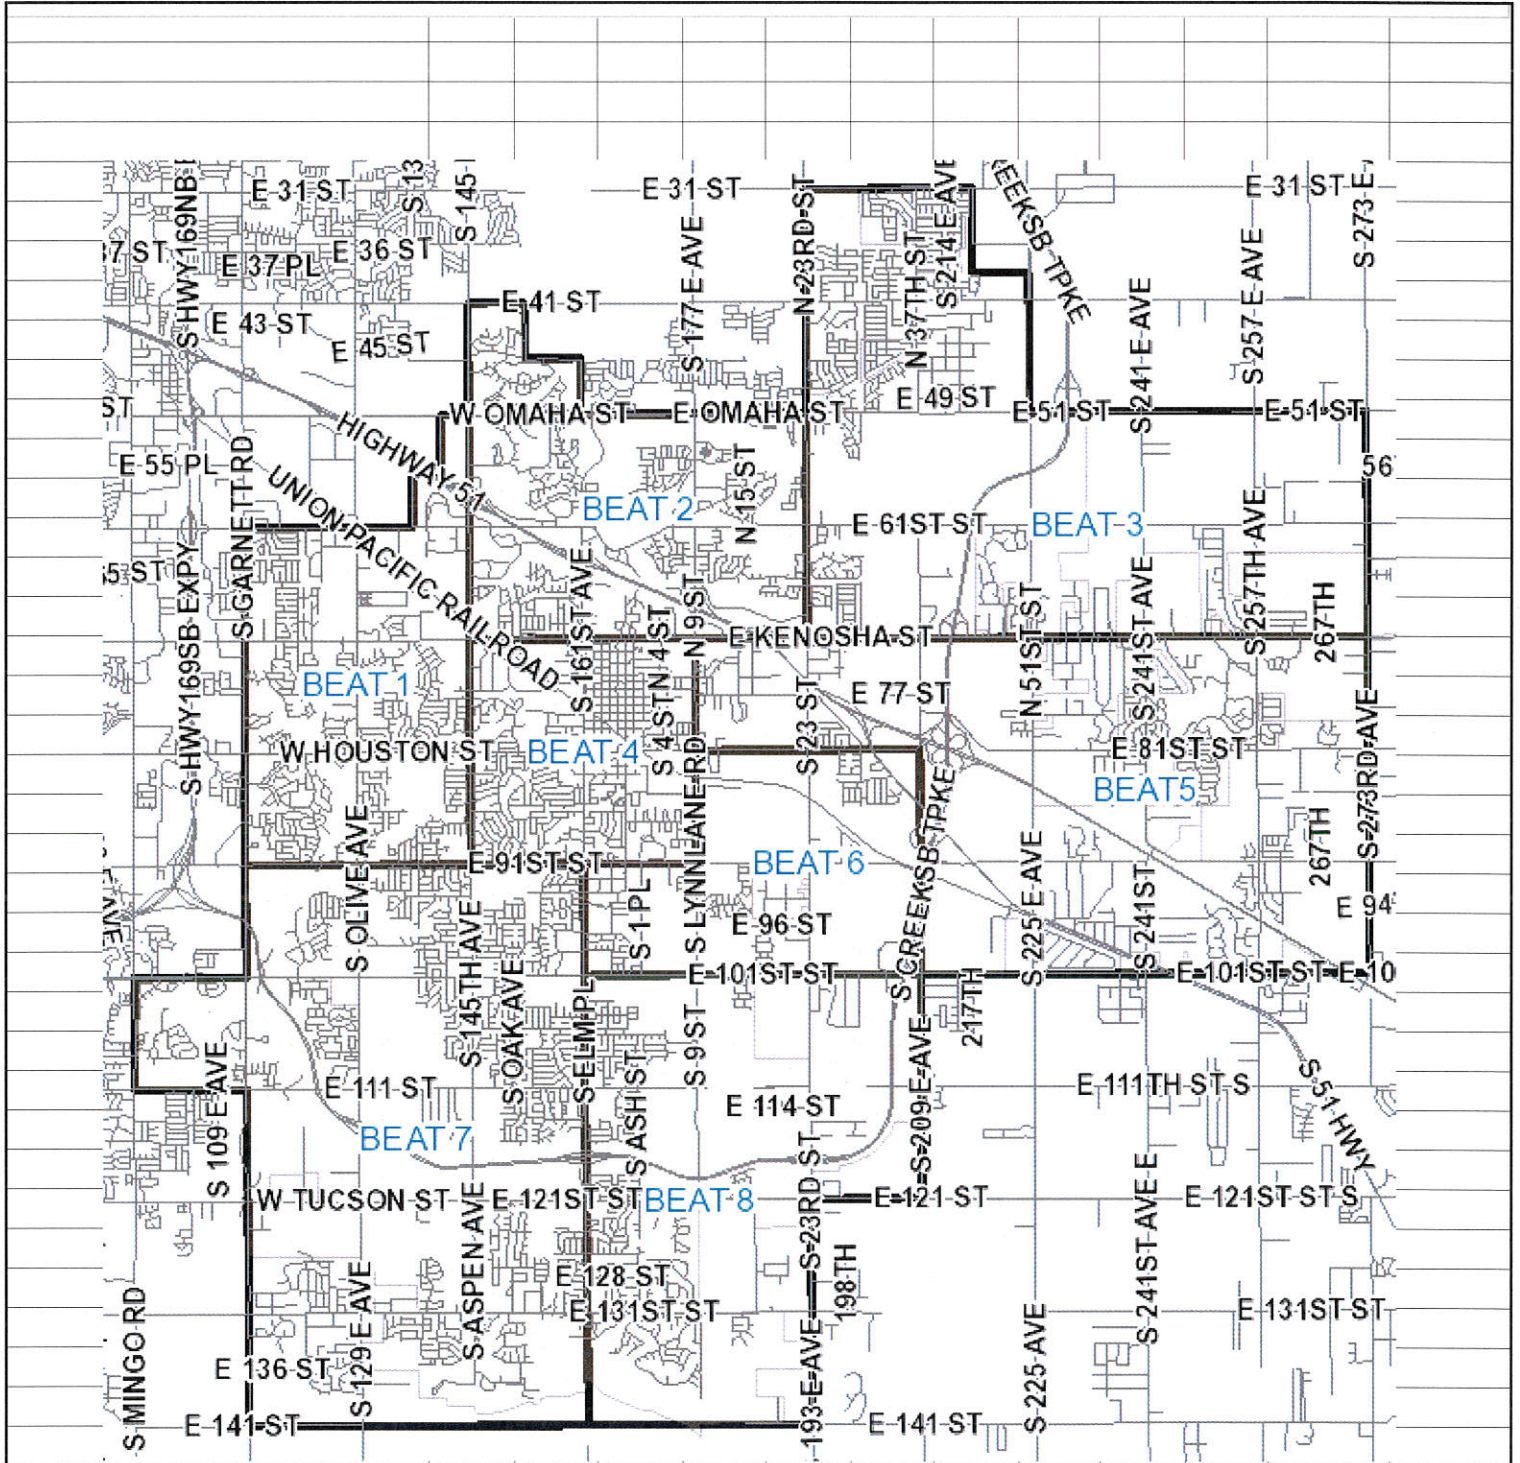

- Priority 4 =** Property or service related calls for an officer to respond that cannot be handled by telephone, misdemeanor reports when caller demands officer or when an officer needs to investigate the scene or interview witnesses, and requests for officers that do not require a quick response.

* There is some overlap in response numbers because all three shifts overlap.

*Total call and self-initiated call amounts include priority 7 calls.

City to present pre-final GO Bond package list; seeks final public input
Public meeting scheduled for April 23 at Stoney Creek

Broken Arrow, Okla. (4/9/2018) – The City of Broken Arrow will hold the next public meeting at 6 p.m., Monday, April 23, at Stoney Creek Conference Center, 200 W. Albany St., regarding the Build Our Future BA General Obligation (GO) Bond package.

This is an important meeting for residents to attend before Council approves the final package in May. Voters will later decide on the bond package August 28, 2018.

The City previously held three public meetings in February to learn residents' priorities for proposed projects totaling nearly \$280 million. In order to keep the ad valorem (property) tax rate the same, the City must bring the final package down to around \$210 million.

“There were some very difficult decisions to make to reduce the proposed project list,” said City Manager Michael Spurgeon. “Without a doubt, every project on that preliminary list deserved to be on there because the investments made to infrastructure have a direct effect on the economy and quality of life in our community. Thanks to the feedback we received in February, both at the public meetings and by residents directly contacting the City and the Council, we were able to identify many projects that are a major priority for the people that live in Broken Arrow.”

A total of 94 projects remain on the pre-final list, including:

- Widen Houston (81st) St from Garnett to Aspen
- Widen 23rd St (County Line) from Omaha (51st) to Albany (61st) St
- Improve intersections at 9th St (Lynn Lane)

(Continued)

- Improve drainage in neighborhoods
- Construct Fire Station No. 7
- Construct meeting center for veterans
- Construct Senior Citizen Center annex facility

The City of Broken Arrow has a long history of promises kept and being good stewards of funding for projects. Renewing the Broken Arrow GO Bond means citizens will benefit from these new projects such as streets, public safety, and parks – with no tax increase.

Broken Arrow continues to grow in both population and businesses. As the City continues to add families and employers, it is critical to aggressively pursue long-term projects to ensure the City's infrastructure is able to meet the needs of both.
