BA Fire Department Offers Internships for TCC Students

As part of an innovative new program, the Broken Arrow Fire Department and Tulsa Community College are launching a Fire and Emergency Medical Services internship for TCC students. The interns will take part in the 20-week Broken Arrow Fire Academy, in order to learn the skills needed to perform the duties of a firefighter as well as earning essential certifications for employment.

The first five TCC students will take part in the Broken Arrow Fire Training Academy beginning Tuesday, February 7.

“This is a partnership that allows our students to train side-by-side with cadets for the Broken Arrow Fire Department and will ensure they are workforce ready when they complete their degree or certification in the TCC Fire & Emergency Medical Services program,” said Dr. Craig Brown, Chief of the TCC Fire and Emergency Medical Services Technology program.

In addition, BAFD employees will be able to take any TCC Fire & Emergency Services courses for professional development or to complete an associate degree in TCC’s program. This reciprocal agreement includes TCC’s EMT and paramedic courses that provides specialized emergency medical care which makes our community safer.

“This is a win-win situation for the City of Broken Arrow,” said Fire Chief Jeremy Moore. “Not only will current firefighters have the opportunity to improve their skills and level of training, this program will also provide a pipeline of trained recruits for future employment.”

If a student is subsequently hired, the City of Broken Arrow will see cost savings of approximately \$14,000 per person, as the new hire will have already completed the required 20 weeks of training.

PRESS CONFERENCE

Interns participating in the new program, along with representatives from TCC and the Broken Arrow Fire Department will be available for interviews at the following time and location.

Tuesday, February 21 - 10:00 a.m.

We consider this show a PG13 rating for adult situations, great for teens and adults!

Neil Simon's *Barefoot in the Park* is a romantic comedy focusing on a pair of newlyweds, Corie and Paul, as they begin married life in a tiny, 5th-floor walkup apartment in a Manhattan brownstone. Corie is romantic, impulsive, and enthusiastic, while her husband is a proper, careful, even "stuffy" young attorney who is more concerned with his budding legal career than he is with helping to build their love nest and perpetuating the honeymoon atmosphere. As the young couple contend with a lack of heat, a skylight that leaks snow, several long flights of stairs, a surprise visit from Corie's well-meaning mother and Victor Velasco their rather oddball neighbor, they must also reconcile their own personal differences in how they approach life's challenges. Adjusting to married life isn't so easy!

Director Denny Meredith-Orr's debut at the BACP was on our stage in 2014, he portrayed Benny in the wonderful locally written production of "Tulsa! A Radio Christmas Spectacular." Denny has been involved with Community Theatre for over thirty years in four states and has appeared on stage, directed, designed sets and worked tech for a variety of shows. He has assembled a wonderful cast of characters that include; Stephanie Zongker as Corie Bratter, Ben Waters as Paul Bratter, Marla Taylor as Corie's mother Mrs. Banks, Mike McEver as the eccentric neighbor Victor Velasco, Spencer Tabor as the Telephone Repair Man and Sarah Kessler as the Delivery Person. We hope you will come join us in the laughter and continue the romance of Valentine's Day for the entire month of February!

More information for this production can be obtained by calling the BACP at 918-258-0077. The BACP is located in The Main Place at 1800 S. Main in downtown Broken Arrow. "Barefoot in the Park (Neil Simon)" is presented by special arrangement with Samuel French, Inc. This production is made possible in part by grants from the Oklahoma Arts Council and the National Endowment for the Arts. The BACP would like to thank Landmark Business Systems and Arkansas Valley Bank for their generous sponsorship of the 2016-2017 Season. The Broken Arrow Community Playhouse is a member of the Oklahoma Community Theatre Association and the American Association of Community Theatre.

Neil Simon's Barefoot in the Park

Friday February 17, 2017 to Sunday February 26, 2017 Paul and Corie Bratter are newlyweds in every sense of the word. He's a straight-as-an-arrow lawyer and she's a free spirit always looking for the latest kick. Their new apartment is her most recent find-too expensive with bad plumbing and in need of a paint job. After a six day honeymoon, they get a surprise visit from Corie's mother and decide to play matchmaker during a dinner with their neighbor-in-the-attic Velasco, where everything that can go wrong, does. Paul just doesn't understand Corie, as she sees it. He's too staid, too boring and she just wants him to be a little more spontaneous, running "barefoot in the park" would be a start...

THE STORY: Five Southern women, whose friendships began many years ago on their college swim team, set aside a long weekend every August to recharge those relationships. Free from husbands, kids and jobs, they meet at the same beach cottage on North Carolina's Outer Banks to catch up, laugh and meddle in each other's lives. THE DIXIE SWIM CLUB focuses on four of those weekends and spans a period of thirty-three years. Sheree, the spunky team captain, desperately tries to maintain her organized and "perfect" life, and continues to be the group's leader. Dinah, the wisecracking overachiever, is a career dynamo. But her victories in the courtroom are in stark contrast to the frustrations of her personal life. Lexie, pampered and outspoken, is determined to hold on to her looks and youth as long as possible. She enjoys being married—over and over and over again. The self-deprecating and acerbic Vernadette, acutely aware of the dark cloud that hovers over her life, has decided to just give in and embrace the chaos. And sweet, eager-to-please Jeri Neal experiences a late entry into motherhood that takes them all by surprise. As their lives unfold and the years pass, these women increasingly rely on one another, through advice and raucous repartee, to get through the challenges (men, sex, marriage, parenting, divorce, aging) that life flings at them. And when fate throws a wrench into one of their lives in the second act, these friends, proving the enduring power of "teamwork," rally 'round their own with the strength and love that takes this comedy in a poignant and surprising direction. THE DIXIE SWIM CLUB is the story of these five unforgettable women—a hilarious and touching comedy about friendships that last forever...
