Chicago Call Trip, July 7-9

The VP of Economic Development, along with Chelsea Levo, Director of Economic Development for the City of Owasso, and Eric Miller, Director of Business & Economic Development for the Muskogee City-County Port Authority, traveled to Chicago July 7-9 for scheduled appointments with key site consultants. During the trip the group hosted six meetings with consultants from Transwestern, Jerry Szatan Associates, Cushman & Wakefield, Jones Lang Lasalle, CBRE, and the German American Chamber. Key topics of discussion included regional industrial sites, workforce development efforts, downtown office space development needs, quality of life in the Tulsa region, and the Tulsa region's competitive position on property taxes.

Walmart US Manufacturing Summit – Bentonville, AR – July 8, 2015

Project Manager attended the Walmart US Manufacturing Summit with representatives from the Oklahoma Department of Commerce as well as Public Service Company of Oklahoma. This is the third year for this event and the second year for the Tulsa Regional Chamber's attendance. The event focuses on creating connections with Walmart's existing suppliers and state economic development representatives in an effort to re-shore manufacturing to the United States. Most manufacturers that were engaged are seeking contract plastic and metal fabrication assistance on small retail items.

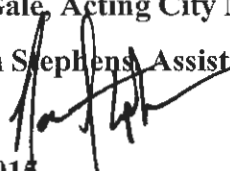

Regional Partner Meetings

- August 27, 2015 – City of Sapulpa, Sign of the Times, 18 E. Hobson Avenue, Sapulpa 74066
- November 3, 2015 – Broken Arrow Chamber of Commerce

All Meetings 12:00 p.m. to 1:30 p.m.

Re: OneVoice Development, Economy and Taxes Task Force

Over the last few months I had the opportunity once again to sit on the OneVoice Development, Economy and Taxes Task Force. The purpose of the task force is to help build a strong state of issues for the Tulsa Regional Chamber of Commerce to work on in the upcoming year.

On August 4, 2015 Task Force members had the opportunity to vote on three state and three federal issues. I am providing you with a copy of each agenda and the amount of votes each issue garnered. Only the three top priorities will be presented at the OneVoice Summit which will be held on Wednesday, September 16, 7:30 – 12:30 at the Renaissance Hotel.

State Priorities

1. Municipal Funding Diversification
2. Modernizing Oklahoma's Adult Beverage Laws
3. Economic Incentives

Federal Priorities

1. Collection of Online Sales / Use Taxes
2. Arkansas River Corridor Development
3. American Indian Lands Tax Credit

2015 VOTING BALLOT

DEVELOPMENT, ECONOMY AND TAXES TASK FORCE

NAME _____

	STATE ONEVOICE AGENDA ISSUE (Up to 150 points total, 50 max per issue)	POINTS
STATE #1	Municipal Funding Diversification: Support legislation to preserve and diversify sources of revenue available to municipalities. Key initiatives include preserving and strengthening cities' authority to promote economic develop activities within their borders; and supporting collaborative efforts by municipalities and telecommunications companies to identify a solution that reforms, upgrades, and funds 9-1-1 public safety services delivered by municipalities.	790
STATE #2	Economic Incentives: Support tax credits, exemptions and incentives that provide an economic return to the state of Oklahoma and maintain our state's competitiveness in business attraction and retention and increase capital investment. Oklahoma's incentives should be regularly evaluated through a review of what other states offer and their overall impact on citizens of the state, with ineffective incentives being eliminated.	630
STATE #3	Quick Action Closing Fund Funding: Increase funding for the Oklahoma Quick Action Closing Fund to a level that allows Oklahoma to be competitive with surrounding states. Greater funding for this economic development tool will assist in attracting high quality jobs and industry to the state, increasing the economic opportunity and quality of life for Oklahoma residents.	455
STATE #4	State Air Service Incentive Fund: Support methods to create a State Air Service Incentive Fund to increase air service at Commercial Service Airports in Oklahoma, which would support a Minimum Revenue Guarantee to lessen the risk for an airline to begin non-stop service from our State. Being connected nationally and globally by air service is critical to economic development efforts in Oklahoma.	215
STATE #5	Modernizing Oklahoma's Adult Beverage Laws: Support efforts to comprehensively modernize Oklahoma's adult beverage laws to encourage economic development and job growth, meet market demand from our state's citizens, and create a competitive marketplace for Oklahoma's businesses. Specific measures should include: eliminating the distinction between low-point beer and stronger beer; permitting consumers to purchase beer and wine 7 days a week; and allowing direct-to-consumer sales for small brewers, wineries and distilleries to promote industry competition and growth.	725

2015 VOTING BALLOT

DEVELOPMENT, ECONOMY AND TAXES TASK FORCE

NAME _____

	FEDERAL ONEVOICE AGENDA ISSUE (Up to 150 points total, 50 max per issue)	POINTS
FEDERAL #1	Collection of Online Sales/Use Taxes: Support passage of the Marketplace Fairness Act or other federal legislation which will ensure that the sales and use taxes already owed from online purchases are fairly and effectively reported, collected, and remitted.	820
FEDERAL #2	Arkansas River Corridor Development: Support efforts to expedite the implementation of the Arkansas River Corridor Project for river infrastructure improvements. Allow federal match credit to be accrued for state and local expenditures in order to advance construction activity while preserving the Tulsa region's access to future federal funding for this federally authorized project.	543
FEDERAL #3	Export/Import Bank Reauthorization: Support the long-term charter reauthorization of the Export-Import Bank, allowing for its continued use as a key tool for America's exporters. The Export-Import Bank plays a pivotal role in providing American companies access to new markets and protecting their investments: in Oklahoma alone, the Bank supports 100 businesses employing more than 7,200 citizens, and making more than \$1.1 billion in supported exports and sales to the international market. Without the Export-Import Bank, American businesses would lose their competitiveness to fifty nine other countries whose companies benefit from dedicated export credit agencies.	303
FEDERAL #4	American Indian Lands Tax Credit: Encourage the long-term extension of the Federal American Indian Lands Tax Credit. The American Indian Lands Tax Credit is a key economic development tool for Oklahoma, allowing both the accelerated depreciation of investments made on former reservation land, and employment tax credits when employing tribal members or their spouses. Oklahoma has the largest percentage of American Indian population in the country, and more than two-thirds of the state qualifies for this incentive. Extending the credit, and ensuring its benefits are retroactive to its expiration, is critical in fostering continued business investment in Oklahoma.	520
FEDERAL #5	State and Local Bond Tax Exemption: Oppose efforts to eliminate or cap the federal tax exemption given to earnings from state and local bonds. The tax exempt status help stimulates the economy by creating jobs and infrastructure projects, and allows states and municipalities to maintain their aging infrastructure. Efforts to eliminate or cap the federal tax exemption given to the earnings from those bonds is short sighted, ignoring the public benefit of the exemption, and should be opposed.	330
FEDERAL #6	Permit the Direct Allocation of Funds by Congress: Support a return of Congress's Constitutionally-mandated budgetary and fiduciary oversight responsibility by permitting the direct allocation of funds for specific projects.	269
FEDERAL #7	Maintain Home Ownership Tax Incentives: Preserve and protect effective tax incentives that encourage home ownership and continue the fragile recovery in our housing market. Of particular concern are the Mortgage Interest Deduction, Low Income Housing Tax Credit, Capital Gains exemption for home sales, and the deduction of property taxes.	165

August 31 is Last Day to Enroll or Opt-out of LifeRide

Broken Arrow, Okla. (8/10/2015) – The deadline to either enroll or opt-out of LifeRide, the City of Broken Arrow’s new emergency medical services subscription program, is August 31. This is the first year the City is offering a subscription program to help offset the high cost of emergency ambulance transports for residents.

Broken Arrow utility customers are automatically enrolled. Non-utility customers, such as those living in nursing homes or apartment complexes will have to enroll in order to join the program. The enrollment form can be found at <http://www.liferideba.org> or it may be picked up at Utility Customer Service, 116 E. Dallas Street.

Customers who do not wish to participate must complete a nonparticipation form and submit it by or on August 31. The nonparticipation form is available for download at <http://www.liferideba.org> or it may be picked up at Utility Customer Service, 116 E. Dallas Street.

HOW LIFERIDE WORKS

LifeRide costs \$5.45 monthly per household for those inside the City limits and \$7.50 per month for those outside the City limits but within the Broken Arrow fence line. The monthly fee will show up as a line item on the utility bill.

The average emergency response and ambulance transport costs \$1,500. Insurance may cover a portion of this charge, but subscribers to LifeRide will pay nothing after a claim is submitted to the health insurance provider. Residents who opt-out of LifeRide will be responsible for paying any out-of-pocket expenses for ambulance services, after a claim has been submitted.

Re: Sanitation Crew Receives Praise

The following comments were received by phone today by Bill Cade, Sanitation Manager. The grateful resident wanted to share his appreciation with the Council and staff.

“I live on Freeport Street and have lived here for 3 or 4 years, and my trash collectors work their (tails) off.... They are very, very, very good. Today’s workers picked the trash up so fast it will make your head spin. They don’t leave anything behind. They’re very good, and they’re also very friendly. They always speak to me. So thank you and please tell the guys to keep up the good work!”

Respectfully submitted,

Re: Broken Arrow History Museum – Education/Outreach Award

I received the message below from Lori Lewis, Executive Director of the Broken Arrow History Museum:

“I am excited to announce that we will be receiving the Education/Outreach Award (\$0-\$5,000) at the OMA State Conference for our Historic Townie Ride. This award would not be possible without Kris Hadley, Teresa Tucker, Michelle Hadley, and Larry Pennington.

The OMA awards luncheon will be held Friday, September 25, 2015 at the Woodward Conference Center in Woodward, Oklahoma. I will be there as part of the state conference I attend each year. (If you would like to attend, please let me know. Tickets are \$35.00 and need to be purchased by September 3.)

Below is the list of honorees for 2015. I think you can see we are in very good company. An official press release will be put out by the Oklahoma Museum Association in the next couple of weeks. Once released, I will forward it to all of our media contacts.

Re: Notes to Council – Military Murals at Military History Center

The Military History Center presented a request to the Downtown Advisory Board on Tuesday, August 11, 2015 to install a series of murals prepared by local artist, Claudia Ramsey Wilson. There are four panels. Each panel is 4 feet by 8 feet in size and is painted on $\frac{3}{4}$ inch exterior grade plywood. Upon completion, each panel will be shielded in Plexiglas. There are eight military scenes, two on each panel. The murals will depict scenes from the Civil War, Spanish American War, World War I, World War II, Korea, Vietnam, Cold War and War on Terrorism.

The Military History Center respectfully requested permission from the DAB, to mount the murals on the north east wall of the center directly behind the flag plaza. This placement of the murals will provide a tasteful invitation to the stories guests can explore when visiting the Center. The Downtown Advisory Board approved this request at their August 11, 2015 meeting.

City Staff will assist with the installation of the murals. The Military History Center is accepting the responsibility for the cost of the panels and other materials. The Military History Center will also be responsible for the murals after installation. They will be installed on the north east exterior wall of the Center.

Parks & Recreation Event Report

Event/Program: Little Tykes Basketball Camp Dates: August 4th - 6th , 2015

DETAILS

<i>Location</i>	Central Park Community Center, 1500 S. Main St.	<i>Attendance</i>	12 Children 12 Adults
<i>Event Organizer</i>	Jim Reed, Nienhuis Park Center Supervisor	<i>How long has the event been going?</i>	1 st Year

DESCRIPTION

- 12 children accompanied by their parent signed up for the first Little Tykes Camp.
- Participants were 3 to 5 years of age.
- Instructors were Jim Reed, Richard Thompson, Torre Thompson and Tulani Paige.
- Richard Thompson is the head freshman girls' basketball coach for B.A. High School.
- Torre Thompson is a multiple award winning basketball player from Broken Arrow in 2014 and now plays for TCU.
- It took quite a bit of time planning out the camp, but it was well worth the effort.
- A work book was put together and handed out the first day of camp to help the parents teach their kids what we were teaching them at camp.
- Thor, Recreation Manager, gave me guidance with the work book and he helped me understand shooting techniques which was a very big help.
- The kids were fun to work with and the excitement in their eyes when they finally "got it" was amazing.
- The parents did a great job trying to teach their children what we were teaching them.
- Parents were telling me that the kids were having a great time and couldn't wait to get back the next day.
- One parent stated that he appreciated the cost of the camp and couldn't believe how much they received.
- Campers received Broken Arrow Parks and Recreation drawstring bags and work book that outlined everything taught at camp.

TYPE OF PROMOTIONS USED

- Posters and fliers at Community Centers.
- Posted on City Events Calendar.
- Posted on Broken Arrow Parks and Recreation Facebook pages.
- Posted on Broken Arrow Amateur Basketball Association web page.
- Posted on the Marquee
- City web site

NOTES

Our goals:

- To offer a below competitive registration fee for citizens of Broken Arrow and surrounding communities.
- To make the camp fun while teaching the basics of basketball.
- To introduce children to basketball at a young age.

For Next Year:

- More goals so we don't have children waiting in line so long.
- Present some kind of certificate and gift at the end of camp.
- Have the camp at Nienhuis Park.
